The Business report for the year 2009

In a foundation assembly the Fuldaer Integrationsstiftung FIS presented the business report for the year 2009.

Helmut Blum, chairman of the assembly, reported about the many-sided and challenged year 2009. Right at the beginning of 2009, the foundation moved to the new office at the Heinrich-von-Bibra-Platz in Fulda. In Background to the improving of the workefficiency and organisation requirements a intensification of the foundationwork was made.

In the list of projects funded, the Chairman drew particular, the joint action with the Fulda Newspapers in favor of the three-year Lisa out. The cataract was sick girl by the fundraiser, attended by over 100 people, associations and organizations, a handheld instrument to be made available. With the new hand pressure gauge can now be measured at home Lisa's eye pressure. This saves Lisa and her parents many nerve clinic visits

In addition to the action package for disabled children in Romania were sums of money to relieve the suffering of people with disabilities in 26 cases of people with disabilities and 5 inclusive working facilities were supported with money amounts.

A stated goal of the Fulda integration foundation either FIS, project "Arche Noah", a house of the Society for Assisted Living Together Life - Learning together to assist in Bimbach. In recent years, the FIS has built reserves of approximately € 70,000 to be used for the construction of the house with six apartments.

Finally, said the vice chairman of the Foundation wife Edith Becker, that the FIS will be used to funds provided for the benefit and in the best interests of people with disabilities.
